Plastic Lumber

GreenBoard™ Turf Nailers
Made with 40% Recycled Turf

Helping Create a Circular Economy for Artificial Turf

GreenBoard™ *is a full line of 1x and 2x turf nailer boards
made with a minimum of 40% recycled artificial turf*

Why GreenBoard™?

- Made in the USA with 98% recylced plastic (at least 40% from recylced artificial turf)
- Multiple sizes available for different installation methods
- Flexible for curved edges
- Sustainable & environmentally friendly
- Will not rot or decay
- Water resistent
- Impervious to insects

- Superior screw, staple & nail retention
- High strength & durability
- No splinters or cracking
- 15-year limited warranty
- Supporting industry sustainability efforts
- Turf recycling programs available
- Qualifies for LEED® points

Color may vary depending on the turf recycled. If color is critical, please let us know.
